SlimPAR 38

It's an LED PAR 38 with a slim casing—only 2.5 inches thick—that can go almost anywhere. Boasting 75 red, green and blue LEDs, the fixture offers 3- or 7-channel of DMX control. Or you can use its built-in automated and sound-activated programs and variable speed-pulse effect for use on the fly. It also offers static colors and RGB color mixing with or without DMX and built-in power linking for quick set up and break down.

Highlights

- LED Par designed for any application in need of a compact wash light
- Low-profile fixture fits most places other lights cannot
- Ideal for quiet applications due to silent operation and no moving parts
- Convenient access to RGB color mixing and static colors without DMX
- Trigger eye-catching effects with built-in automated programs via Master/Slave or DMX mode
- Increase standalone versatility with multiple user-configurable settings
- Achieve flicker-free video operation with high-frequency LED dimming
- Save time running cables and extension cords by power linking multiple units
- Easily transports in the optional CHS-SP4 VIP Gear Bag
- Fits best in the CHS-SP4 VIP Gear Bag
- Compact design easily fits inside sticks of TRUSST®
